To: All Howard Precision Metals Customers

Subject: California Proposition 65 Compliance – Hydro/Sapa Aluminum, Alloy 6061

Dear Valued Customer:

Hydro/Sapa Industrial Extrusions, has confirmed that the 6061 aluminum they manufacture complies with California Proposition 65; none of the materials present in 6061 aluminum are included on exhibit A of this directive.

Thank you,

Ryne Budrow

Quality Assurance Supervisor
